2026

Kailash Mansarovar Yatra – The Ultimate Pilgrimage

A groundbreaking invention of Trip To Temples, initiated with all the blessings of Lord Shiva, Kailash Mansarovar Yatra with an aerial darshan privilege to Kailash pilgrims has been outperforming since 2024 (the year when India got its first-ever Kailash Aerial Darshan opportunity with us). With our specially designed Aerial Darshan tour to Lake Mansarovar and Kailash Parvat, we're making the divine experience available to those who might otherwise be unable to undertake this challenging, long-duration pilgrimage due to physical limitations, documentation process, permit/visa, and age barriers. This initiative reflects our belief that age should never be a barrier to spiritual fulfillment, and every devotee deserves the opportunity to witness Kailash Mansarovar darshan.

For those who are not willing or unable to go through the difficult process of obtaining a permit, visa, and passport, the Kailash Mansarovar Aerial Darshan offers the finest options, where anyone can participate in a sacred visit to Mount Kailash and Lake Mansarovar, but there are no prerequisites for Kailash Mansarovar darshan. The Kailash Mansarovar Aerial Darshan starts in January and runs through mid-May before ceasing due to fog during the monsoon season, and it eventually resumes from September to November.

We went to Kailash mansarover aerial yatra from 8th to 10th october 2025 through this agency. They arranged our trip excellently and very good co ordination of people at marketing office (vaibhsv) to Lucknow Rahul, to Kunal at Nepalgunj. Hotel Siddharth was good. Very good reception to our guests.our flight was cancelcked on 9th due to bad weather but rearranged to 10th October. But on 9th we wil advisec to go to nearby placed and were fortunate to see the tributary river Karnali, coming from Himalayas especially from Manasarovar.coming to flight experience, it was once in life time for us. One cannot imagine such darshan of Everest and manasarovar.

Flight was charted flight from Nepalgunj, a small airport. Pandit and Kunal accompanied with us. Explained the location of Kailash. What a scene! It took 1 1/1/2 Hr.

On 9th team conducted a Rudra Pooja and all travellers participated in Abhishek and harati.

We wish everyone to.utilise this experienced agency to visit the Kailash mansarover aerial darshan.Fligh take off is not in their hands but by local weather. Flight was good. Window should be wider to have full view. BEST OF LUCK FOR ENTIRE TEAM.

As a single woman I have done this pilgrimage with them very peacely and with security, and for that firstly I must thank to Mr. Abhay from TTT group. In every position, they have focused on our facilities and have stayed with us and guide us. Mr. Madhav and Mr. Akshat are jewel person as a trip guide of Kailash.On the whole journey they have taken a look at each of us separately. Pandit ji was also there to worship for all yatris. So I think of myself as much lucky to be able to visit Mt. Kailas through them. Har Har Mahadev 🙏

Undertook Kailash Mansarovar Aerial Darshan between 22 -25 April.

Excellent arrangements by the organizers...

Delivered 100% of whatever was promised. Good AC Innova 4+1, to and fro from Lucknow to Nepalganj. Excellent Stay at Hotel Siddharth, Window seat to all for Darshan.

Polite staff... ... Good Arrangement of Panditji, both in the Aircraft and also at Nepalganj for directions and guidance.

suggestions - during briefing on Day1, it is suggested that a video of Kailash Mansarovar should be shown. This will help Darshanarthi's in orienting their vision.

P.S - for Darshanarthi's- the mount Kailash is more than 34 km away from where the aircraft is flying.

HAR HAR MAHADEV.... BHOLA KI FAUJ... KAREGI MOUJ.

It was a wonderful experience for eight of us friends and

family to have aerial darshans of kailash and Mansarovar through Trip To Temples. Fortunately for us it was a clear sky day and we could have very delightful darshans. Kudos to the entire team of Trip To Temples (Asutosh, Priyanshu, Poushali, Madhav, Abhinav, Shiv and others). They are all very polite and understanding. They did their best to make us comfortable. It is indeed quite a job conducting a Teerth Yatra of a heterogenous group that has many senior citizens.

Thanks to the CEO who thought of such a wonderful aerial trip for people like us who can not track it to Mount Kailash and Mansarovar.

On a Wing and a Prayer

Trip to Temples – a tour operator whose tagline reads 'Pilgrimage with Pleasure' – has come up with an innovative alternative to the rigours of the Kailash Mansarovar Yatra. Along with Nepal's Shree Airlines, it has launched aerial tours of Kailash Mansarovar from Nepalgunj in Nepal. No visa or even passport is necessary to do the 2N/3D trip. The trip starts from Lucknow, and includes a group hawan at the ancient Bageshwari Temple in Nepalgunj and a one-hour flight that takes a darshaan of Lake Mansarovar, Mount Kailash South and East Face, as well as Mt Api, Mt Saipal and Mt Nampa. Additionally, participants? Contact a small bottle of Mansarovar jal to take back home.
