Manimahesh Kailash, one of the Panch Kailash, is a revered pilgrimage site dedicated to Lord Shiva. Located in the Pir Panjal range of Himachal Pradesh, this sacred destination is steeped in mythology and natural beauty. The Manimahesh Lake, nestled at the foot of Mount Manimahesh Kailash, is believed to be the abode of Lord Shiva and is a major attraction.

The name 'Manimahesh' is derived from two words: 'Mani', meaning 'jewel', and 'Mahesh', another name for Lord Shiva. Legend has it that Lord Shiva meditated here, and his meditation was so intense that a jewel (mani) emerged from his forehead, which is now believed to be the sacred lake.

Our itinerary includes a visit to this holy site, starting from Pathankot, taking you through picturesque mountains, valleys, and the Chamba region. The Manimahesh Yatra is a unique blend of spirituality and natural splendor, offering breathtaking views of the Himalayas and a chance to experience the divine presence of Lord Shiva.
